Tamworth Regional Council

(Council) wrote this survey.

When you see the word 'we', it means Council.

We want the Tamworth Region to be a place where all people can join in and be included.

This Easy Read survey is a shorter version of another survey.

If you want to give us more information, you can use the longer survey on our website at www.tamworth.nsw.gov.au

We want to know a little bit about you.

And we want to know about your experience at local events and public places.

All of your answers to our questions will be anonymous. This means no one will know that they are your answers.

To answer a question, you need to put a tick in the box next to the option that is right for you.

Or, you might need to write in some text.
