CONSERVE WATER NOW

TARGET 150L/PERSON/DAY

How are you hitting 150?

- | | |
|--|---|
| 1 <input type="checkbox"/> 40l – 1 full washing load every second day and 1 small load (e.g. whites) | 6 <input type="checkbox"/> 15l – 1 full dishwasher load daily |
| 2 <input type="checkbox"/> 7l – daily cooking | 7 <input type="checkbox"/> 2l – daily teeth, hands and face washing |
| 3 <input type="checkbox"/> 7l – house cleaning | 8 <input type="checkbox"/> 1l – daily pets |
| 4 <input type="checkbox"/> 15l – 5 toilet half flushes a day | 9 <input type="checkbox"/> 60l – 3 minute shower a day |
| 5 <input type="checkbox"/> 3l – daily drinking water | What's your total? <input type="text"/> |

Let's
Work Together

CONSERVE WATER NOW

TARGET 150L/PERSON/DAY

With level 5 water restrictions in place and Chaffey Dam now below 20% we are asking residents to reduce their water consumption to
150l per person per day.

MAKING
SMALL CHANGES
CAN HAVE A
BIG IMPACT!

Conserve water now
