

## Terms & Conditions for Trail Waste Vouchers (T&C's)

### 1. Introduction

Council at its meeting of 14 May 2019 resolved to extend the domestic waste voucher to align with the extension of the waste contract until June 2021. The trial is for the provision of two (2) waste disposal vouchers to properties that pay the Domestic Waste Management Service Charge for use at Council's Waste management facilities and depots for the 2019/2020 financial year.

Each voucher is for the disposal of up to 2m3 of general waste, subject to restrictions on particular wastes, at no charge. The restrictions are contained in the waste voucher T&C's and T&C's are subject to changes without notice and up to date T&C's can be obtained via Council's website or onsite flyers.

Vouchers are not transferrable or redeemable for cash. Vouchers expire on 31 July 2020.

### 2. Objectives

Waste disposal vouchers are provided to domestic residents to assist with 2 free visits to dispose of up to 2m3 of larger non recyclable bulky household items at Council waste depots at their convenience within the T&C's and abuse of the system could see the system withdrawn.

3.1 Vouchers are only issued twice a year, 1 is mailed out in July and 1 is mailed out in February to the property that has a Domestic Waste Management Service Charge.
